

SUPER SPOTTER FAMILY SUMMER TRAIL

The clues below are all numbers and you will find them in and around Kempshott and Longacre...you might want to do it over a few days when you are out and about.

When you have collected the number clues use the code sheet to work out the letters and then un-scramble the letters to work out the cheery sentence.

If you'd like to receive a Super Spotters certificate, pop your answer sheet into the church postbox with your information and we'll send one your way!
Have fun!
