

A community project for
Kempshott and Longacre...

Remembering Stones

Coronavirus has
changed 2020 for all
of us...

As a way of marking this unusual
time we invite you to join in a
'community remembering' by
painting a stone to tell your story-
something you missed, something
you enjoyed, a person you want to
remember...

Add your stone to the cairn
in the church garden
between 14th September
and 31st October
